

I would like to say that Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary during an election is unfair. I had hoped the media has not come to using these types of tactics, but this situation has proved otherwise.

I was also shocked to see that Sinclair Broadcast Group had blocked my local television station from running the ``Nightline'' program on which Ted Koppel read the names of American troops killed in Iraq. I feel that it was very unpatriotic and cruel (of Sinclair) to those who have lost loved ones in the conflict.

PLEASE STOP THIS KIND OF ABUSE!

Thank you, and GOD BLESS AMERICA.
